Dear Mr. Wendt,

I would like to express my sincere gratitude for the prompt and keen interest the Petitionsausschuss showed in the case of the Greek student of Freiburg University, Ms xxxx.

Thanks to your decisive intervention, an optimal solution was immediately found. I am therefore, truly grateful to you and your entire team, especially Mrs Arite Rochlitz.

In such testing times for all, as the ones we are currently experiencing, the services provided by our respective offices, and the effective co-operation between us, can be of utmost significance to our citizens. Especially those who experience unpredictable difficulties due to the unprecedented measures that governments across Europe have had to adopt.

Please extend my best wishes to all the members of the Petitionsausschuss and your associates.

Sincerely,

Andreas I. Pottakis
The Greek Ombudsman
